Por más que nos hemos quejado, nunca hemos recibido ningún tipo de respuest Es por ello que a partir de ahora, todo nuestro catálogo se lista bajo el estado de "**PARA DESGUACE O Q disgustos. ### ABOUT "FOR PARTS OR REPAIR" Items listed at our Ebay-Shop

We noticed in the last months an increase of Ebayers that told us their items bought in out shop are non 100% working condition. We accepted returns since PAYPAL don't cover to sellers in anyway. Sadly we seen that these items were the worst cases, a box full of junk...

This is the reason now we put all out items as "FOR PARTS OR REPAIR". Anyway you can buy with confid that an item is in working condition, this is right.

We don't accept returns anymore... We only accept returns if we send you a wrong

Still buying with confidence at InformAntica-Stalvs :)
