Bundle Description:	Computer, original box, instruction manuals and discs		

I have for sale a vintage Tatung Einstein Colour Micro Computer

It comes in its original box with 3 manuals and 3 discs

I found this packed away carefully in a wardrobe during a house clearance on the Wirral. It is in good cosmetic condition and when I had no way of checking if this is working so it is being sold as seen with no guarantees

Please look closely at the pictures as what you see is what you get

Sent promptly and well packed
