### Item specifics

Condition: **Used** : ?

Seller notes: "Tested briefly. Powers up, keys worked, disk drive working, was able to run a demo program. No warranty due to its age. These computers can suddenly develop faults due to age. Not been cleaned. So sold as seen."

Vintage: Yes

Country/Region of Manufacture: United Kingdom

Model: Tatung Einstein

Brand: Tatung

Manufacturer warranty: None

Tatung Einstein TC01 Vintage MSX Computer with one disk drive. TM01 colour monitor, an 80/40 column card adaptor, 3 manuals, and 16 disks with xbas and various other backup disks containing programmes. when tested xbas programme worked on side disks included have not been tested. I do not know if they contain what's written on the disks.

Monitor and computer as shown in pics. Worked when tested. All Keys worked. Only tested briefly though.

The computer connects to monitor via the included 80/40 column card attachment, which has missing fixing screws.

I have not attempted to clean this computer or monitor, as I have no knowledge on how it should be cleaned.

**buyer must collect, as these computers are too easily damaged in the postal system. No warranty on any of these items due to age. Sold as collectors items.**
