Brand:	Tatung
Model:	Tatung Einstein

Lovely working Tatung Einstein computer complete with working Tatung colour monitor. It' actually in really nice cosmetic condition as you can see from the photo.

Powers on, keyboard works, monitor works and the machine spins up the drive to look for software but I have no 3" disks to test the c you need to find some software and MAY need to fix the drives.

Cash on collection only from Horsham, West Sussex.
