Item Details

This was cleared out of an old office. I bought it to sell on. Personally, I know a little about such things. Please see photos for a good idea of condition. It does have some marks on it which I got to come could be cleaned off? but they are difficult to clean off..

The computer powers on fine and you can see what happens on the screen. I checked all the keys sure if the floppy drive works, I believe it will though. I think this computer is working as it should..

If anything fundamental is found to be wrong with this item when it's used for its purpose, I would take would also pay for the return postage.

(I WOULD BE VERY GRATEFUL IF YOU COULD MESSAGE ME FIRST IF THERE'S A PROBLEM. I WILL HOURS)

I give you this guarantee give you this guarantee so you know you're buying a good item and to give you

****I will put a security stickers on it which you can remove once you are happy the item works.. I won't be broken.**

I will not accept it back if it has been tampered with. I would have to report it to Ebay if this was the case returned..

I ONLY HAVE WHAT IS SEEN IN THE PHOTOS, SO PLEASE MAKE SURE YOU'RE HAPPY BEFORE PURCHASING

I WILL BE LETTING THIS AUCTION RUN, SO I DO NOT HAVE A 'BUY IT NOW' PRICE.

Returns / Faulty items

PLEASE NOTE: If there is a problem with your item, please contact me before doing anything else, for both parties. **ALSO, my ebay account will be harmed, causing me extra charges. Please message appreciated.

I don't deliberately sell anything with faults I don't mention in the description, so if something is wrong with items I know very little about, or that I am unable to test myself, hence why I may make an oversight as clear as I can about this.. I am not here to rip anyone off. 99% of the time things are fine though

If you're collecting in person

You are welcome to collect in person. I would appreciate cash on collection after you have purchased using Paypal, if that's ok. If you prefer to pay through Paypal before you come, that's fine. Thanks
