Vintage Home Computer

[Tatung Einstein Computer with large selection of booklets and manuel's etc](#)

[With original box. Powers / turns on when plugged into the mains.](#)

However the computer has been connected to a analogue television using the supplied cable. There is no picture being transmitted. Either the TV does not have the correct cable with the computer. Or, I am not operating the tuning correctly.

[Please feel free to ask should you have any questions etc.](#)
